MINI POWER BOOSTER

Mini Power Booster is a stylish rechargeable 2500 mAh Battery in a super-thin Finish. It is the size of a credit Card powered with 2500 mAh, enough to give a full charge to an iPhone and about 70-80% charge to a Smartphone.

- Emergency power to keep in your wallet, pocket or bag.
- Super-thin and compact design.
- Durable – made in steel.

Extended user time

- 90-100% extra charge for iPhone 5/4S/4.
- 70-80% extra charge for Android Smartphones.
- Extend talk time by up to 4-6 hours.
